Vision

Our vision is to empower our students with values, knowledge, and skills to be successful in their career and life in a rapidly changing society.

Mission

We are committed to:

- Use an amalgam of scholastic and co-scholastic strategies for the holistic development of the students.
- Enrich the experience of learning through relevant, innovative, and constantly evolving methodology along with suitable technological applications.
- Facilitate the individual, social, emotional, and spiritual growth of the students to instill a sense of responsibility towards self, family, peers, community, and the environment at large.
- Equip them with such skills as critical and lateral thinking and help them evolve as lifelong learners.
- Build a safe and supportive environment, free of prejudice and discrimination of any kind.
- Develop and retain the best talent of the staff through a process of continual improvement.

The Motto

The Motto of Delhi Public School Society

Service Before Self

The motto of the Delhi Public School Society is a vivid reflection of the mettle and dedication that goes into the making of a noble institution, with a noble mission. It is a constant reminder that the DPS spirit always accords greater priority to the welfare of others over welfare of the self. Service towards an enlightened path has always been the bedrock of DPS philosophy; a philosophy that reflects a commitment to serve others willingly, graciously and selflessly.

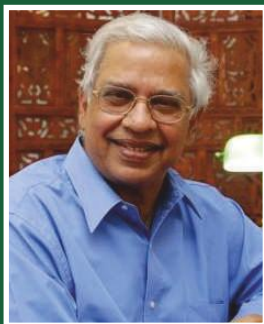

The DPS Society

The Delhi Public School Society is the central guiding force behind more than 200 schools initiatives in and around the country, imparting quality education to millions of children. Right from its inception in 1949, the Society has been a treasure house of excellence in education. The Society is governed by a Board comprising of distinguished personalities from various spheres of eminence, who have selflessly guided the society over the years to keep pace with time and helped formulate pro-active policies in the larger interest of the students.

The philosophy of quality education for all, finds its roots in the very reason of the society's being, and it has accordingly been the effort of the society to establish schools in all parts of the country to cater to the educational needs of as many children as possible. Among the fore-runners of the concept of life-long learners, the society has an independent Human Resource Development Center (HRD) that caters to the training of teachers via residential and online programs. Eminent personalities from around the world are the resource persons. All this is done to maintain the high standards of education and to keep the educators abreast with the changing times and needs of students.

The centralized governance of people of eminence, and authority has helped DPS society maintain the highest standards in all it undertakes, and to keep ahead with a vision of an enlightened and well-educated social order. With more and more centres emerging as a result of this education movement, DPS has become the single largest school education society in the continent, and perhaps, the entire world.

Message from *The Pro Vice Chairman*

Delhi Public School, Bathinda spanning over 20 years of excellence in the field of education, is an institution to reckon with. Education is the right blend of academic acumen and creative effervescence, not restricting itself to the pages of books but to inculcate humanitarian values like humility, compassion, respect, courage, integrity and responsibility in a student. Through the ever-evolving curriculum, we believe in providing holistic education for every child catering to the individual pace of each learner.

Understanding the ubiquitous influence of technology, we have constantly adapted to new pedagogical practices that are infused with the 21st century skills of investigation, collaborating, problem solving, communicating, to empower the 21st century global learners.

The beautiful environs and state of art infrastructure provide a unique abode for the students to grow into young adults with a feeling of self-worth and pride.

Crossing boundaries, the school is offering International programs for students that open doors to other nations and cultures, thus bringing in a new dimension of study, awareness and international opportunities for our students.

Parental involvement is a part of the mission at DPS Bathinda and we are proud of our ever supportive parents. With our commitment towards providing quality education, I along with my team of enthused and dedicated educators welcome you to the portals of Delhi Public School Bathinda.

Ramesh Talwar

Message from *The School Director*

Director's Reflections

Reflecting on the two-decade enriching and gratifying journey of Delhi Public School Bathinda, we have not merely progressed but ascended to a coveted position, wearing the distinguished badge of being Bathinda's premier co-ed school.

Our odyssey at DPS Bathinda has been etched with steadfast dedication, relentless diligence, and an unwavering commitment to continuous improvement. In an era that presents escalating challenges, our primary endeavour remains the nurturing of students, instilling in them an indomitable spirit, confidence, and the fortitude to confront life's adversities with unwavering optimism. We are resolute in our commitment to provide them with the wings to pursue their dreams and passions, ensuring that they ascend to unprecedented pinnacles of success.

The institution actively strengthens its resources to align with the evolving demands of the times, equipping both its educators and students with indispensable 21st-century skills. The myriad activities, competitions, and programs offered to our students make their years at DPS Bathinda immensely coveted.

I extend a warm invitation to explore Delhi Public School Bathinda, as we embark on the third decade, with a sturdy foundation, a crystal-clear vision, and a fresh set of aspirations and objectives.

Vandana Talwar

Message from *The Principal*

Dear Parents and Students,

Welcome to Delhi Public School, Bathinda, where we believe in nurturing young minds and fostering a love for learning. As we embark on a new academic session, DPS embraces a transformative vision aligned with the unfolding of the New Education Policy, emphasizing change, adaptation, and skill development, our commitment is to nurture students into well-rounded individuals.

At DPS, we take pride in offering a holistic education that goes beyond textbooks and classrooms by equal focus on curricular and extra-curricular activities. Our commitment to providing a high-quality education is reflected in our dedicated team of experienced educators, who are passionate about guiding students towards academic excellence. The curriculum is designed to be comprehensive, ensuring a well-rounded development that prepares students for the challenges of the future.

Our well-developed infrastructure serves as a catalyst for engagement and creativity. State-of-the-art facilities, including specialized labs such as the tinkering lab and maths lab, allow students to delve into hands-on experiences that enhance their understanding and application of concepts. These spaces are designed to encourage curiosity, innovation, and a spirit of exploration.

In addition to academic pursuits, we recognize the importance of physical fitness and sportsmanship. Our school boasts diverse facilities for sports and games, providing students with the opportunity to develop teamwork, leadership, and a healthy lifestyle.

To the parents who have chosen DPS, we extend our heartfelt gratitude. Thank you for entrusting us with the growth and education of your child. We believe in a collaborative partnership between parents, students, and educators, and together, we look forward to nurturing the potential within each child.

Warm Regards

Jatinder Kumar Saini

Our School at a Glance

The Delhi Public School, Bathinda was established in 2003 under the aegis of Delhi Public School Society. It is a senior secondary co-educational school affiliated to The Central Board of Secondary Education (CBSE). Life at Delhi Public School centers on a shared commitment to academic excellence, intellectual growth, arts, athletics, and high standards of ethical awareness, sportsmanship, and community service. Depth and variety are added to each student's life by the school's traditions and accessibility to a broad curriculum.

The school proudly upholds the commitment of excellence in all fields with emphasis on the motto "Service Before Self" of DPS society. The campus is spread over a lush green, pollution free area of 14 acres on main Bathinda-Goniana Road. It is divided aesthetically and thematically into various blocks, designed for maximum convenience and utility of the students.

AT DPS Bathinda technology is blended with traditional chalk and board. The school caters to the IT revolution and its relevance as a life skill by providing the latest interactive board with LCD projector in each classroom and an IT trained faculty.

The pedagogies used at DPS Bathinda are competency based wherein focus of teaching is based on measuring learning through attainment of prescribed learning outcomes.

Delhi Public School Bathinda boasts of a fleet of 34 buses which cover 45km radius.

The transport system is equipped with full-fledged GPS-Tracking system to assist parents and school to monitor the speed and routes of the buses online and CCTV Surveillance for the safety of the children. To ensure safety and convenience, each bus is provided with a conductor and a teacher-in-charge.

Kindergarten

Kindergarten is indeed the garden for the tiny tots of DPS Bathinda. The students here undergo the transition from home to school and get the opportunities to learn through activities such as playing, singing, drawing, coloring and recitation. The school recognises the different pace of learning for each child and the focus is more on oral than on writing; on concept building than on rote learning.

Air-conditioned state-of-the-art new building for the foundational classes to facilitate learning.

Secondary and Senior Secondary

As students transition into secondary and senior secondary, our school is committed to providing an enriching and supportive environment for their academic and personal growth. The curriculum is designed to prepare students for the CBSE Board Examination. There is a diverse range of streams in senior secondary that offers a specialized learning path to cater to individual interests and career aspirations. Career Guidance is part of the school calendar to help the students navigate the difficult process of college admission, competitive exams, and future challenges.

Beyond academics, our commitment extends to fostering character-building, leadership skills, and extra-curricular activities. Students engage in various clubs, sports, and cultural activities ensuring a holistic development.

Guidance from our qualified faculty and the academic rigour provided by the school guide the students through these transformative years laying the foundation for a successful future.

Laboratories

Atal Tinkering and Robotics Lab

With a vision to 'Cultivate one Million children in India as Neoteric Innovators', Atal Innovation Mission is establishing Atal Tinkering Laboratories (ATLs) in schools across India. DPS Bathinda is fortunate to have taken up the responsibility of promoting the culture of innovation & entrepreneurship. The objective of the ATL lab installed in school is to foster curiosity, creativity, and imagination in young minds; and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing, etc. Robotics is an add-on activity in the ATL where students use coding and sensors to develop innovative models and robots.

Mathematics Lab

The Math Lab is a dynamic facility designed to encourage students' engagement through an array of interactive, hands-on learning experiences. Students and educators collaboratively work with models for a deeper understanding of abstract concepts from coordinate geometry to calculus to learn and understand quadratic equations; conic sections and trigonometric curves etc.

Laboratories

Computer Lab

The school has two computer labs, separate for Junior and Senior students with the latest hardware and internet access. The trained faculty assisted by lab attendant, encourage students to develop computing skills. Students are adept at working with software, coding, designing and presentation skills.

Language lab

Language lab for French & English is equipped with cutting edge technologies and software that aligns with the most current teaching methodologies for language acquisition.

Laboratories

Chemistry Lab

The chemistry lab is fully furnished with the latest equipment and an extensive range of chemicals. The students are guided by experienced faculty, ensuring the successful completion of the projects and experiments. Particular emphasis is placed on implementing stringent safety measures to ensure a seamless learning experience for students.

Physics Lab

to provide opportunities for hands-on experience and conduct practical experiments to develop a deeper understanding of theoretical concepts.

Biology Lab

The biology lab is a fascinating destination for student as it enables them to gain insight into their existence. It is well decorated with charts, models, and other materials in sync with the latest curriculum.

Library

Delhi Public School Bathinda houses a computerized library system. The library follows Open Access System. The books are issued and returned through a Bar Coding System. To inculcate the reading skills, different scholastic activities like reading, meditation, book clubs and book fairs are organized. Book review sessions, both for students and teachers are conducted to reinforce love for reading and critical thinking skills.

E-Learning

All the classrooms are equipped with e-learning gadgets like the smart boards/projectors, whiteboard and a computer installed with digital contents to make the teaching-learning process engaging. The new block has been equipped with latest projectors for the teachers which enables convenience and effectiveness. More and more modules are added each year. To encourage hybrid model of learning, the campus is wi-fi enabled.

Sports

Games and sports are an integral part of student's life. While the focus on academics is of prime importance to be successful in career and life, but so is playing games and sports to enjoy health and vigor in life. The school offers various games and sports. We have facilities for both outdoor and indoor games like Football, Cricket, Basketball, Badminton, Tennis, Volleyball, Skating, Yoga, Table Tennis, Chess, Carrom etc. The school also boasts a 10-meter Shooting range and a Half Olympic size swimming pool.

Students get ample opportunities to participate at the district, state and national level competitions organized by the State Government, CBSE and DPS Society. The school also plays host to various Inter-DPS sporting events. As sports is an integral part of our curriculum, the school recognizes the efforts of students who do well in sports and offers them scholarship.

Sports

Sports Scholarship for Classes VI Onwards

Archery	Chess	Badminton	Gymnastics	Basketball	Table Tennis	Taekwondo	Volleyball	Shooting	Judo
Athletics	Football	Boxing	Handball	Hockey	Tennis	Skating	Yoga	Swimming	

National Cadet Corps (NCC)

Delhi Public School, Bathinda is affiliated to the Naval and Army Battalions of NCC, namely the 3rd Naval Battalion and the 20th Punjab for army.

The NCC Program at our school fosters discipline and leadership. Students engage in rigorous drill practices, participate in cleanliness drives, and attend residential camps for holistic development. Utilizing advanced equipment, from rowing boat simulators to firing exercises, students gain valuable skills, preparing them for future challenges.

House System

The system of houses gives opportunities to students to perform in extra-curricular activities that brings a variance in student's life from regular study schedule. Students also learn how to interact, communicate and collaborate. Delhi Public School Bathinda has six houses namely Ganga House, Chenab House, Sutlej House, Yamuna House, Ravi House and Jhelum House.

Each student from class IV onwards is allotted one of the houses. Each house is headed by a girl and a boy house captain. A member of the staff assisted by several other teachers, acts as the House Warden. Points are awarded to the house based on the positions in the Inter-House competitions in sports, dramatics, debates, quizzes, art and music etc. Prizes/trophies are also awarded accordingly. At the end of the year, the house gaining the highest points is awarded the Championship Trophy.

Clubs

The school offers students a plethora of opportunities to develop their innate potential. The students from class IV onwards choose any one club as per their interest. The club activities are organized once a week separately for junior and senior classes.

Heritage Club

The club acquaints the students with our culture ethics, national and international heritage. The activities include discussions, presentations, collage making on various heritage sites in India and abroad. Students are encouraged to visit heritage sites. Students are also taken on virtual tours to help them explore heritage sites, and cultural landmarks that foster engagement and curiosity.

Literary Club

Literary club aims at honing the literary abilities of the students. Debates, Skits, role plays, essay/article writing are some of the activities that are organized by this club.

Theatre Club

The students in this club learn to give expressions to their feelings and thoughts through plays, Nukkad Natak, poetry, drama etc.

Clubs

Science Club

This club is dedicated towards building a scientific temperament in the students. The Science club has been set up to promote their scientific interest, realize their scientific skills and fulfill their quest in doing science activities.

Bloggers Club

This is a platform to upskill and enhance the art of writing on blog platforms. The students learn about content writing, selection of topics, styles of writing and presentation etc.

Quiz Club

This club motivates students to take part in different quiz competitions and enhance their awareness about the world around them and speak confidently on different General Knowledge topics.

MUN Club

The objective of this club is to cultivate proficiency in articulating the understanding of global events and concerns as well as the art of diplomacy.

Earth Club

This club aims at sensitizing the students to the environmental problems through a wide range of activities like water testing, tree plantation campaign, exhibitions etc.

Debating Club

Debating fosters critical thinking abilities, confidence in public speaking, and an open mind to differing viewpoints. By embracing debate, individuals can become more adept at navigating complex issues and engaging with diverse perspectives, ultimately contributing to a more informed and understanding world.

Affiliation with International Programs

IAYP:

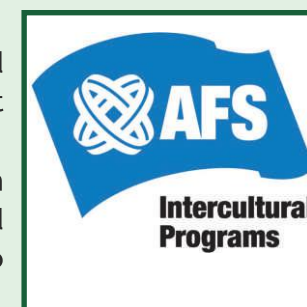

International Award for Young People is run under the direction of the Duke of Edinburgh Award (DoE) and at DPS, students from Grade 9 and above can choose to become involved. At DPS Bathinda, the students aim to achieve the Bronze, Silver, and Gold Awards which encourage personal discovery and growth, independence, perseverance and a responsibility to each student as well as their community traits that are sought after by both universities and employers. More important are the life skills that make students confident, complete and holistic in their approach to life and responsibility towards self and the society that they live in. The students are required to complete four components: Service, Physical Recreation, Skill, Expedition (also known as the Adventurous Journey), and, for Gold, an additional longer residential component is required. The students enthusiastically participate in the activities, enjoying them and without realising learn to work in groups, be empathetic and respect the opinions of their fellow beings.

AFS:

AFS India School Membership Committee is an initiative to help create active global citizens, globalizing schools & expand access to intercultural education by supporting member schools and delivering effective intercultural learning programs that build global competence.

DPS is a proud member of AFS and encourage students to participate in inter school events and exchange programme within the country and abroad. The objective of AFS is to create active global citizens, and visionary global schools, and expand access to intercultural education through various learning programmes that build global competence, adaptability to embrace global cultures and promote liberal mindedness.

CAE:

The school has collaborated with the Cambridge Assessment of English, a programme to assess the proficiency level of English of the students. Students from classes 1 to 10 are eligible to take the assessment. Cambridge English qualifications are in-depth exams that focus on the Common European Framework of Reference, helping learners to improve their speaking, writing, reading and listening skills.

It will provide a strong foundation and learning framework to help children gain confidence and improve their language skills.

**Cambridge Assessment
English**

Trips and Excursions

The educational trips organized by school help students develop both on academic and personal level. Trips help students reinforce the lessons learnt in the class and expand their knowledge giving it more tangible dimension.

Trips and excursions foster new interest among students. The students learn about new cultures, sample different cuisines and appreciate diversity.

Trips also encourage personal development of students by enhancing the confidence, learning life skills, forming close bond with peers and teachers, and giving positive memories for life.

Shiksha Kendra... A social responsibility

DPS Bathinda runs the Shiksha Kendra, a “school after school” for the children of the underprivileged families in the surrounding, who are not able to go to a regular school either due to financial constraints or other challenges. The School provides free education, uniform, and books to the students. The Shiksha Kendra holds classes from Nursery to class X and has gained popularity over the years as we see an enhancement in the number of admissions year on year. The teachers taking classes at the Shiksha Kendra are trained, enthusiastic and more than willing to make a difference in the lives of these children. We ensure equal opportunities to these children, offering them skill subjects, computer classes, educational tours and sports exposure.

What do teachers make... A difference!

Empowering Teachers

Regular workshops, seminars and in-house training programs are organised for the teachers. The teachers attend empowerment and capacity building programs conducted by CBSE, the Delhi Public School Society and other training organisations to get equipped with the competencies such as using technology, applying appropriate pedagogical techniques to make the teaching process seamless and the learning process stress free and joyful.

Admission

Registration

- The Registration form may be submitted at either the Junior School Office or the Main School Office.
- Incomplete or illegible Registration Form will not be processed. A student's passport size photo will be required to be pasted on the Registration Form.
- Registration does not imply admission.

- Have you attached a proof of being a legal guardian of the child if the form has not been signed by the parents?

Any communication made by the parents should be addressed to the Principal.

Payment of Fees:

The payment of fee is done in three installments as given below:

- 1st Installment (April-July) -To be paid by 10th of April along with annual charges.
- 2nd Installment (August-November)- To be paid by 10th of August.
- 3rd Installment (December- March)- To be paid by 10th of December.

Admission fee will have to be paid only at the time of admission. All tuition fees are otherwise payable by the 10th of the relevant month. A late fee of Rs. 20/- per day shall be levied thereafter. If a student fails to pay the school dues within 60 days of the due date, his/her name will be struck off the rolls and the child will be re-admitted after seeking the approval of the principal and after making full payment of school dues and fine. The fee had to be deposited through the School ERP application or directly into the bank with a fee voucher available in School as well as on the School website.

Withdrawal

Parents have to give one month's notice before the start of the next fee cycle for the withdrawal of their wards, failing which a month's fee in lieu of the notice will be charged. A student can also be asked to leave the school on any of the following grounds:

- a) Indiscipline
- b) Unsatisfactory progress in work

Refund of Fees:

All fees once paid are not refundable for any reason whatsoever.

Bus Rules and Transport

- Once the bus route is allotted, any request for change in routes and bus stops will not be entertained during the course of the session without prior approval of the competent authority.
- Though the School takes utmost care, ensuring the well-being of the students while travelling in the school bus, it will be the sole responsibility of the parent to escort the pupil to and from the fixed bus stops.

Right of Alteration/Modification

- The school reserves the right to modify, alter or include any other terms and conditions that may be deemed fit in the interest of the institution.
- DPS Bathinda also reserves the right to change its fee structure.
