# Vision

Our vision is to empower our students with values, knowledge, and skills to be successful in their career and life in a rapidly changing society.

# **Mission**

#### We are committed to:

- Use an amalgam of scholastic and co-scholastic strategies for the holistic development of the students.
- Enrich the experience of learning through relevant, innovative, and constantly evolving methodology along with suitable technological applications.
- Facilitate the individual, social, emotional, and spiritual growth of the students to instill a sense of responsibility towards self, family, peers, community, and the environment at large.
- Equip them with such skills as critical and lateral thinking and help them evolve as lifelong learners.
- Build a safe and supportive environment, free of prejudice and discrimination of any kind.
- Develop and retain the best talent of the staff through a process of continual improvement.

# **The Motto**

#### The Motto of Delhi Public School Society

#### **Service Before Self**

The motto of the Delhi Public School Society serves as a vivid testament to the fortitude and commitment that highlights the establishment as a distinguished institution with a noble mission. It acts as a perpetual reminder that the DPS ethos consistently prioritizes the welfare of others above the interests of the self. The pursuit of an enlightened path has always constituted the cornerstone of the DPS philosophy—a philosophy that embodies a steadfast commitment to serving others with willingness, grace, and selflessness.

The Delhi Public School Society is the central guiding force behind more than 200 schools initiatives in and around the country, imparting quality education to millions of children. Right from its inception in 1949, the Society has been a treasure house of excellence in education. The Society is governed by a Board comprising distinguished personalities from various spheres of eminence, who have selflessly guided the society over the years to keep pace with time and helped formulate pro-active policies in the larger interest of the students.

The philosophy of universal quality education is deeply rooted in the fundamental essence of societal existence. Consequently, it has been the collective endeavor of the Delhi Public School Society to establish educational institutions across the nation, thereby addressing the academic needs of as many children as possible. Among the pioneers of the lifelong learning paradigm, the society boasts an autonomous Human Resource Development Center (HRD) dedicated to the training of educators through both residential and online programs. Esteemed figures from around the globe serve as resource persons. This initiative is undertaken to uphold the high standards of education and to ensure that educators remain attuned to the evolving dynamics and requirements of students.

The centralized governance of people of eminence, and authority has helped DPS society maintain the highest standards in all it undertakes, and to keep ahead with a vision of an enlightened and well-educated social order. With more and more centres emerging as a result of this education movement, DPS has become the single largest school education society in the continent, and perhaps, the entire world.

# "Strong Pillars of Delhi Public School Bathinda"

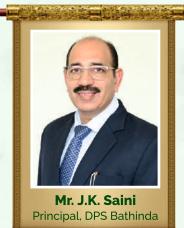

Director, DPS Bathinda

**Mr. Ramesh Talwar**Pro Vice Chairman, DPS Bathinda

# Message from The Pro Vice Chairman

Delhi Public School, Bathinda spanning over 20 years of excellence in the field of education, is an institution to reckon with. Education is the right blend of academic acumen and creative effervescence, not restricting itself to the pages of books but to inculcate humanitarian values like humility, compassion, respect, courage, integrity and responsibility in a student. Through the everevolving curriculum, we believe in providing holistic education for every child catering to the individual pace of each learner.

Understanding the ubiquitous influence of technology, we have constantly adapted to new pedagogical practices that are infused with the 21st century skills of investigation, collaborating, problem solving, communicating, to empower the 21st century global learners.

The beautiful environs and state of art infrastructure provide a unique abode for the students to grow into young adults with a feeling of self-worth and pride.

Crossing boundaries, the school is offering International programs for students that open doors to other nations and cultures, thus bringing in a new dimension of study, awareness and international opportunities for our students.

Parental involvement is a part of the mission at DPS Bathinda and we are proud of our ever supportive parents. With our commitment towards providing quality education, I along with my team of enthused and dedicated educators welcome you to the portals of Delhi Public School Bathinda.

#### Ramesh Talwar

# Message from The School Director

#### **Director's Reflections**

Reflecting on the two-decade-long enriching and gratifying journey of Delhi Public School Bathinda, we have not merely advanced but ascended to a distinguished position, proudly donning the esteemed badge of being Bathinda's premier co-educational institution.

Our odyssey at DPS Bathinda has been inscribed with steadfast dedication, unwavering diligence, and an unrelenting commitment to continuous enhancement. In an era rife with escalating challenges, our primary endeavor remains the cultivation of students, instilling in them an indomitable spirit, self-assurance, and the resilience to confront life's adversities with unwavering optimism. We are resolute in our commitment to provide them with the wings to pursue their aspirations and passions, ensuring that they soar to unprecedented heights of success.

The institution actively fortifies its resources to align with the evolving demands of contemporary society, equipping both educators and students with essential 21st-century competencies. The myriad activities, competitions, and programs offered to our students render their tenure at DPS Bathinda immensely sought after.

I extend a heartfelt invitation to explore Delhi Public School Bathinda as we embark on our third decade, grounded in a robust foundation, a lucid vision, and a renewed set of aspirations and objectives.

#### Vandana Talwar

Mrs. Vandana Talwar Director, DPS Bathinda

**Mr. J.K. Saini**Principal, DPS Bathinda

# Message from The Principal

Dear Parents,

It gives me immense pleasure to welcome you to a new academic session at Delhi Public School, Bathinda. This almanac serves as a comprehensive guide to our educational philosophy, calendar of activities, and the vibrant learning ecosystem we have cultivated providing a handy reference for parents and students. While academics form the core of every institution, at DPS we transcend traditional boundaries. We are committed to the holistic development of each student, nurturing their values, knowledge, and skills to prepare them not just for examinations, but for meaningful careers and purposeful lives.

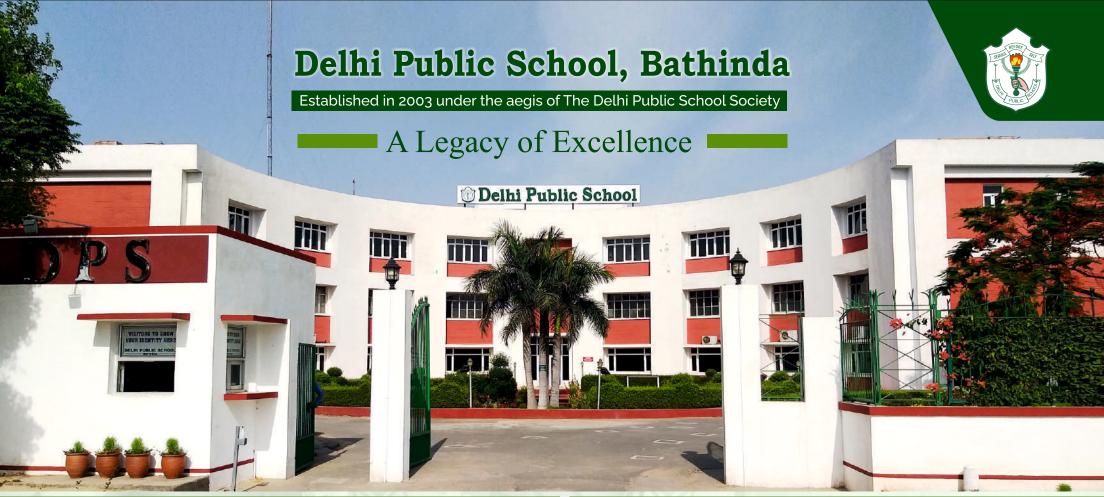

Our state-of-the-art infrastructure reflects our commitment to experiential learning, featuring over 10 specialized laboratories including science labs, computer labs, mathematics and tinkering labs, dedicated activity rooms, and innovative open learning spaces. Technology is seamlessly integrated into our pedagogy, ensuring students are future-ready. Ranked #1 in Bathinda by Education World for the last 4 years, we take pride in our consistent excellence. Our vision extends beyond individual success—we aspire for every student to become a productive contributor to India's economy and help realize our nation's potential as the global knowledge hub of the 21st century.

Let us join hands on this transformative journey to nurture our young children and make their learning experience at school truly joyful.

Thank you

Jatinder Kumar Saini

Principal

#### **Our Campuses & Infrastructure**

Delhi Public School, Bathinda, encompasses two dynamic campuses — the Main Campus on Bathinda–Goniana Road and the Green City Branch — each reflecting excellence in education and infrastructure. The Green City Branch, located in a posh and serene residential area, offers a safe and enriching learning environment. The 13-acre lush green main campus provides a pollution-free, inspiring environment that promotes holistic growth. The state-of-the-art Foundational Years wings nurture young minds in fully airconditioned classrooms up to Grade 5. Spacious sports arenas and dedicated courts encourage physical fitness and teamwork. For senior students, well-equipped science, computer, and robotics labs foster innovation and experiential learning. Elegant architecture and thoughtfully designed spaces make DPS Bathinda a vibrant hub of knowledge, creativity, and discovery.

#### Innovative and Future-Ready Pedagogy

At Delhi Public School, Bathinda, learning goes beyond textbooks through a seamless integration of technology and tradition. Every classroom is equipped with E-Learning Systems, supported by a team of IT-trained and progressive educators who make learning engaging and meaningful. The school follows competency-based teaching methodologies aligned with CBSE's National Education Policy (NEP) framework, emphasizing learning outcomes over rote memorization. By fostering conceptual clarity, inquiry-based learning, and measurable progress, DPS Bathinda ensures that students develop essential 21st-century skills — critical thinking, creativity, collaboration, and communication — to become confident, future-ready learners.

# DPS Bathinda – Green City Campus

Where every child's first steps into learning are guided with care, creativity, and confidence.

Welcome to DPS Bathinda - Green City Campus, a purpose-built sanctuary for young learners. Located in Bathinda's greenest and most serene neighborhood, our stateof-the-art campus provides a safe, inspiring, and joyful environment for children to begin their learning journey.

At DPS Green City, we believe every child deserves an education tailored to their unique needs. Our nurturing environment blends play, exploration, and discovery to build confidence, creativity, and curiosity. With personalized attention across academics, sports, and the arts, we ensure every child grows into a happy, independent, and compassionate learner.

# Why Choose Green City Campus?

# Safe Premium Location

Safe, premium residential neighbourhood

**Green Play Areas** 

Dedicated green play areas & splash pool

# **Bright learning spaces**

Sunlit, child-friendly classrooms

# Creative environment

Playful interiors that spark creativity

Air-conditioned state-of-the-art new building for the foundational classes to facilitate learning.

Kindergarten is indeed the garden for the tiny tots of DPS Bathinda. The students here undergo the transition from home to school and get the opportunities to learn through such activities as playing, singing, drawing, coloring and recitation. The school recognises the different pace of learning for each child and the focus is more on orals than on writing, on concept building than on rote learning.

# Kindergarten

# Our Faculty – The Heart of DPS Bathinda

celebrations, Compassion cups

Manomaya Kosha – Emotional Growth Circle time, art therapy, puppet shows, wall of Emotions

# CCE at the Foundational Stage-Continuous & Comprehensive Evaluation

At DPS Bathinda, we believe that assessment is not about marks or tests, but about understanding a child's growth journey.

#### Assessments here are:-

Continuous – woven into daily classroom activities.

Multi-dimensional – covering cognitive, social, emotional, and physical development.

Child-Centric - focused on strengths, interests, and progress, not comparisons.

# How We Assess at the Foundation Level

#### **Observation & Anecdotal Records**

Teachers note milestones, behaviors, and breakthroughs during everyday activities

#### Circle Time Reflections

Listening, sharing feelings, and participation in discussions

## Play-Based Assessments

Blocks, puzzles, role play, dramatization, and games that show creativity and problem-solving

# Storytelling & Conversation

Assessing imagination, comprehension, and communication skills

#### **Student Portfolios**

A collection of drawings, writing samples, projects, and art showcasing progress over time

### **Group Work & Peer Interaction**

Team play, collaboration, and social skills

#### Art, Music & Movement Reviews

Expression through rhythm, painting, dance, and music performances.

#### **Self-Assessment & Expression**

Children share what they learned, what they enjoyed, and what they wish to do next

#### Quizzes, Games & Oral Recitations

Fun, informal tools for recalling concepts without pressure

# Parent-Teacher Interaction & Developmental Reviews

A 360° feedback system to keep parents engaged in their child's growth journey

# Student Safety & Facilities

CCTV-monitored campus

**Facilities** 

GPS-enabled AC buses with female attendants

Splash pool for water fun

Trained staff in first aid & child protection

Barrier-free ramps & access

Child-friendly washrooms

Hygiene stations across campus

Fire safety & emergency preparedness

Bright, airy, AC classrooms

# Secondary and Sr. Secondary

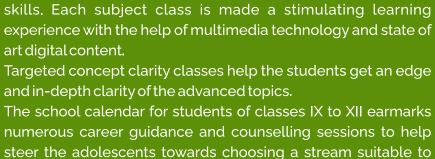

The Secondary and Senior Secondary academic program focuses on equipping the students with the requisite academic

numerous career guidance and counselling sessions to help steer the adolescents towards choosing a stream suitable to their capabilities and interests and eventually a career choice from the myriad career choices available. The school believes in recognising and honouring excellence in education and offers scholarships for promising students in academics in classes XI and XII. Sports scholarship is also offered to the promising sportspersons who have excelled in various sports at the State, National and International level. Besides the need to communicate, there is the need to be understood. To ensure our students are multilingual, French, English, Hindi and Punjabi are offered to the students.

# The ATL Hub: Powering students Innovation in AI

## Forward-Thinking Vision:

o Delhi Public School, Bathinda, stands as a leader in integrating modern technology with education, creating a **dynamic**, **future-ready** learning environment.

#### Strategic Industry & Academic Collaborations:

- o Partnership with **IBM** for the **IBM Skill Academy**, offering structured online certificate courses for Classes VII–XII. Students gain a **strong foundation in emerging technologies**, preparing them for higher studies and future careers.
- o Specialized programs in Artificial Intelligence, Machine Learning, Data Science, and Cloud Computing designed by IBM experts.
- o Collaboration with **IIT Bombay**, **IIT Chennai**, and **IIT Hyderabad** provides exposure to advanced technical learning and mentorship opportunities. Early exposure to real-world applications nurtures critical thinking and innovation.
- o Students actively participate in the **National AI Olympiad** organized by **TalentSprint and hosted by Accenture**, showcasing their AI skills and innovative thinking on a national platform.
- o Participation in the "Talk to a Teacher" program facilitates direct interaction with IIT faculty, enhancing conceptual understanding.

#### Atal Tinkering Lab (ATL) – Innovation in Action:

- o Established under NITI Aayog's Atal Innovation Mission, serving as the school's innovation and creation hub.
- o Equipped with advanced robotics and Al kits, enabling students to design, prototype, and experiment.
- o Fosters a culture of innovation, problem-solving, and entrepreneurship among young learners.

# Laboratories

## Computer Lab

The school has three computer labs, separate for the little learners, Junior and Senior students with the latest hardware and internet access. The trained faculty assisted by lab attendant, encourage students to develop computing skills in working with software, coding, designing and presentation.

# Mathematics Lab

Math lab is a colorful lab to facilitate and engage the students in a variety of hands-on learning experiences. The students and teachers have put together models and gadgets in the laboratory. There is also extensive use of technology. The computers and the internet are used for teaching, self-learning, interactive mental maths quizzes and competitions. The geometer sketch pad and other tools are used to explain concepts from coordinate geometry to calculus, to learn and understand quadratic equations; conic sections and trigonometric curves etc.

# Language lab

Language lab is equipped with modern communication system fitted for speech therapy and other audio and video activities which are designed to help them develop awareness about how they learn, improve their language skills like pronunciation and intonation.

# THE COLUMN THE PARTY OF THE PAR

# Laboratories

# **Physics Lab**

The school boasts a well-equipped Physics Laboratory designed to ignite curiosity and scientific thinking among students. It is furnished with modern apparatus and safety features that allow learners to perform experiments with confidence and accuracy. Here, students not only verify principles from textbooks but also develop analytical skills, problem-solving abilities, and a spirit of discovery through hands-on exploration.

# **Chemistry Lab**

The chemistry lab is well equipped with all the modern apparatus and chemicals. The students are guided by teachers and lab assistants to complete their projects and experiments. Extra emphasis is given on safety measures for making learning a hassle-free process.

# **Biology Lab**

The Biology Lab is an interesting place for all the students to visit because it takes them a step nearer to their own lives. Keeping the latest syllabus in mind the models, specimens, charts, chemicals etc. have been well planned.

# Library

Delhi Public School Bathinda is equipped with a computerized library system. The library follows Open Access System. The books are issued and returned through a Bar-Coding System. To inculcate the reading skills, different scholastic activities like reading, meditation, book clubs and book fairs are organized. Book review sessions, both for students and teachers are conducted to reinforce love for reading and critical thinking skills.

# E-Learning

All the classrooms are equipped with e-learning gadgets like a he smart boards/projectors, whiteboard and a computer installed with digital contents to make the teaching-learning process easier. The new block has a special privilege of having latest touch projectors for the teachers which enables convenience and effectiveness. More and more modules are added each year. To encourage hybrid model of learning, the campus is wi-fi enabled.

# Affiliation with International Programs

#### **IAYP:**

International Award for Young People is run under the direction of the Duke of Edinburgh Award (DoE) and at DPS, students from Grade 9 and above can choose to get involved. At DPS Bathinda, we offer Bronze, Silver, and Gold Awards which encourage personal discovery and growth, independence, perseverance, and a responsibility to each student as well as their community, traits that are sought after by both universities and employers and more important are the life skills that make students confident, complete and holistic in their approach to life and responsibility towards self and the society that they live in. The students are required to complete four components: Service, Physical Recreation, Skill, Expedition (also known as the Adventurous Journey), and, for Gold, an additional longer residential component is required. The students enthusiastically participate in the activities, enjoying them and without realising learn to work in groups, be empathetic and respect the opinions of their fellow beings.

#### AFS:

AFS India School Membership Committee is a recent initiative to help create active global citizens, globalizing schools and expand access to intercultural education by supporting member schools and delivering effective intercultural learning programs that build global competence.

DPS is a proud member of AFS and encourage students to participate in inter school events and exchange programme within the country and abroad. The objective of AFS is to create active global citizens, and visionary global schools, and expand access to intercultural education through various learning programmes that build global competence, adaptability to embrace global cultures and promote liberal mindedness.

#### CAE:

The school has collaborated with the Cambridge Assessment of English, a programme to assess the proficiency level of English of the students. Students from classes 1 to 10 are eligible to take the assessment. Cambridge English qualifications are in-depth exams that focus on the Common European Framework of Reference, helping learners to improve their speaking, writing, reading and listening skills.

It will provide a strong foundation and learning framework to help children gain confidence and improve their language skills.

# **Sports**

The school believes that sports and physical fitness are as essential as academics in shaping confident, disciplined, and resilient individuals. Our students are encouraged to explore their athletic potential and develop a lifelong love for fitness and teamwork.

The school offers state-of-the-art facilities for both outdoor and indoor sports, including: Football, Cricket, Basketball, Badminton, Tennis, Volleyball, Skating, Yoga, Table Tennis, Chess, 10-meter Shooting Range, Half Olympic-size Swimming Pool.

Our students regularly excel at district, state, and national-level competitions, bringing laurels to the school and inspiring their peers to pursue excellence. Recognizing their commitment and achievements, DPS Bathinda also offers sports scholarships to encourage and support budding talent.

# SERVICE SELF

# Sports

# Sports Scholarship for students of Class VI Onwards

Cricket	Swimming	Hockey	Table Tennis	
Athletics	Football	Skating	Yoga	

Badminton	Handball	
Chess	Volleyball	
Shooting	Net Ball	

# National Cadet Corps (NCC)

Delhi Public School, Bathinda, is affiliated to the Naval and Army Battalions of NCC, namely the 3rd Naval Battalion and 20th Punjab for Army.

The NCC Program at our school fosters discipline and leadership. Students engage in rigorous drill practices, participate in cleanliness drives, and attend residential camps for holistic development. Utilizing advanced equipment, from rowing boat simulators to firing exercises, students gain valuable skills, preparing them for future challenges.

# House System

The system of houses gives opportunities to students to perform in extra-curricular activities that brings a change in student's life from day-to-day study schedule. Students also learn how to interact, communicate and collaborate. Delhi Public School Bathinda has six houses namely Ganga House, Chenab House, Sutlej House, Yamuna House, Ravi House and Jhelum House.

Each student from class IV onwards is allotted one of the houses. Each house is headed by a girl and boy house captain. A member of the staff assisted by several other teachers acts as the House Warden. Points are awarded to the students throughout the year for extracurricular activities through Inter-House competitions in sports, dramatics, debates, quizzes, art, and music and prizes/trophies are awarded accordingly. At the end of the year, the house gaining the highest points is awarded the championship trophy.

# Clubs

The school offers students a plethora of opportunities to develop their innate potential. The students from class-IV onward choose one of the club activities as per their interest. The club activities are organised on every working Saturday separately for junior and senior sections.

#### Heritage Club:

The club acquaints the students with our culture ethics, national and international heritage. The activities include discussions, presentations, and college making various heritage sites in India and abroad. Students are encouraged to visit heritage sites. Videos on virtual tours are also shown to make the students feel proud of and connect to their own country and its history.

## Literary Club:

The literary club aims at honing the literary abilities of the students. Debates, Skits, role plays, essay/story writing etc. are some of the activities that are organized by this club.

#### Theatre Club:

The students in this club learn to give expressions to their feelings and thoughts through plays, Nukkad Natak, poetry, drama etc.

#### Eco Club:

The Eco Club at DPS Bathinda fosters environmental awareness and responsibility among students. Through activities like tree plantation drives, waste management initiatives, and sustainability campaigns, students learn the importance of caring for the planet. The club encourages eco-friendly habits and inspires young minds to become proactive stewards of nature.

#### Manodarpan Club:

The Manodarpan Club focuses on nurturing emotional well-being, resilience, and positivity among students. It provides a supportive platform for open discussions, stress management, and peer support activities. The club empowers students to build confidence, empathy, and mental strength, ensuring holistic growth and a happy school environment.

# Clubs

#### Science Club

This club is dedicated towards building a scientific temperament in the students. The Science club promote their scientific interest, realize their scientific skills and fulfill their quest in doing science activities.

This is a platform to upskill and enhance the art of writing on blog platform. The students learn about content writing, selection of topics, styles of writing and presentation etc.

This club motivates the students to take part in different quiz competitions and enhance their awareness about the world and speak on different General Knowledge topics confidently.

## MUN Club

The aim of this club is to develop skills in expressing their understanding on international events and issues and art of diplomacy.

### Earth Club

This club aims at sensitizing the students to the environmental problems through a wide range of activities like water testing, tree plantation campaign, exhibitions etc.

#### **Debating Club**

Debating develop the ability to think critically, public speaking skills and confidence, an open-mindeness to other points of view. Being an advocate on both sides of an issue forces you to understand both sides of an issue, not just one.

# Trips and Excursions

Educational trips and school trips help students develop both on academic and personal level. Trips help students reinforce the lessons learnt in the class and expand their knowledge giving it more tangible dimension.

Trips and excursions foster new interest among students. The students learn about new cultures, sample different cuisines and appreciate diversity.

Trips also encourage personal development of students by enhancing the confidence, learning life skills, forming close bond with peers and teachers, and giving positive memories for life.

# SERVICE OF THE PARTY OF THE PAR

# Empowered Teachers, Enriched Classrooms

- Empowered Educators: At DPS Bathinda, we believe that great schools are built by empowered, reflective, and inspired teachers.
- Professional Growth & Continuous Learning: Through regular in-house workshops, seminars, and interactive training sessions, DPS Bathinda ensures that teachers stay abreast of the latest educational trends. Faculty members actively participate in capacity-building programs and professional development workshops conducted by CBSE, the Delhi Public School Society, CENTA, and other reputed educational institutions—gaining exposure to innovative teaching practices and global best standards. Each teacher also completes a minimum of 50 hours of CBSE-mandated professional development every year to ensure continuous upskilling and excellence in teaching
- **Technology Integration**: Teachers are trained to effectively use digital tools and innovative pedagogical methods to enhance classroom learning.
- **Joyful Classrooms:** Every initiative focuses on making learning stress-free, experiential, and joyful for both teachers and students.
- Commitment to Excellence: Through collaboration, creativity, and compassion, DPS Bathinda teachers make a lasting difference in every child's educational journey.

# Shiksha Kendra.....A social responsibility

DPS Bathinda runs a Shiksha Kendra, a "school after school" for the children of underprivileged families in the surrounding, who are not able to go to a regular school either due to financial constraints or other challenges. DPS provides free education, uniform, and books to the students. The Shiksha Kendra holds classes from Nursery to class V and has gained popularity over the years and we see an enhancement in the number of admissions years on year. The teachers taking classes at the Shiksha Kendra are trained and enthused and more than willing to make a difference in the lives of these children. We ensure equal opportunities to these children, taking skill subjects with them, computer classes, educational tours and sports exposure.

# SERVED OF SERVED

# Admission
